**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am currently a customer of a smaller ISP (Sonic). The service is great. The internet speed is great. The price is great.

The other major service providers in my area (Comcast and AT&T) are terrible. They routinely get rated as the WORST customer service by users of ANY product. Their internet speeds are slow and their prices are double what I pay Sonic.

Sonic shows the benefits of real competition. Comcast & AT&T show the failing of having a monopoly or duopoly.

Don't reduce competition in internet service. We desperately need it.
